The Times-Dispatch Want "Ad" Service Is a Public Convenience

The practice of accepting want advertisements by telephone was inaugurated to improve the service and help YOU.

Such advertisements are charged simply as an ACCOMMODATION TO YOU. A collector is sent to your home to save YOU the inconvenience of bringing your advertisement and money to the TIMES-DISPATCH office.

Do not, therefore, regard the call of the collector as a "dun." He is part of the machinery of the service organization.

Help the Service by paying the collector promptly when he calls.
